

User Guide

newsRank

Royals

06/03/2017

We emphasized user simplicity in our final design. Everything is online, everything is simple and easy.

Steps:

1. Go to <https://newsrank-115.herokuapp.com/>
2. Either enter the URL of an article you found from somewhere online, press extract, view results
Or, press on “News” in the upper right to view a list of current trending topics. Click on one of them to view reliability data.
